

# I'm It

## Brother Hobo

What a great day we had at our last chapter meeting. We had two visitors there and boy, are they excited. Chris shared his trip to Kentucky. This was his wife's, Shanean, first big trip. I heard about a lot of rides that will be coming up in the Spring. I heard about our Spring Fling being February 23rd of next year. Of course since the holiday season is only a few weeks away, they talked about the Toy Run and the District Christmas Party. There was something mentioned about some red Santa bloomers. I am not sure if I know all about that.

I am so excited too because I get to be with all of you and ride a bike and go to Petit Jean Mountain and Mt. Nebo Mountain and see all of the beautiful country. I see why Homer loved doing this so much.

What a great place to be. I am learning so much. Remember I am game for anything, so if you want to take me for a ride, just come and get me. I have Homer's helmet and I can get it on. Now you're it. Brother Hobo
